"Mediocre men wait for opportunity to come to them. Strong, able, alert men go after opportunity." - B.C. Forbes

Leadership for Managers

A skill development program focused on improving the *leadership and team building skills of managers.*

Program Overview

This program is designed to develop your individual, organizational and management competencies in order to become a more effective leader-manager in today's dynamic environment. It is ideally suited for individuals who are currently in leadership and management roles or for those who have a strong desire to be in future leadership and management roles. You will learn how to:

- Develop the essential leadership competencies (as demonstrated by exceptional leaders),
- Support staff members to recognize and support the team and organizational goals,
- Instill confidence and trust within your staff,
- Foster an environment that supports teamwork and collaboration within your staff,
- Influence, motivate and inspire your staff to take positive action to improve overall performance.
