

SEATS Corporate Program

THE Challenges

- 1 ... Training **budgets get cut.**
- 2 ... Not everyone can be **trained at the same time.**
- 3 ... Not everyone **needs the same type of training.**

THE **SOLUTION** ... is called **SEATS!**

- ✓ With our SEATS training program, you can **mix and match** specific workshops to the **individual needs and requirements** of all your staff.
- ✓ SEATS is a flexible, **customized and cost-effective** way to provide the right training to virtually everyone in your organization and still stay within your tight budget. Purchase as many SEATS **as you need when you need** them.

Registration Options and Details:
