Because Satisfactory isn't Good Enough
Skills Enhancement Program Launched in Partnership with Seneca College

Toronto, Ontario (January 31, 2007) - The Gaski Performance Group, in collaboration with Seneca College, Faculty of Continuing Education and Training, announce the launch of a joint training workshop designed to enhance the business skills of professionals in the Toronto area.

This **Multi-Skills Excellence Workshop**, scheduled for **March 28, 2007** in **Toronto** (Ontario), is a highly focused session designed to refine and refresh the skills in the areas most essential for business and personal success. Each module is delivered in a concise learning format allowing for immediate application of learning, skills development, and performance results.

This workshop is divided into four development areas (Sales, Customer Service, Management and Communication) each covering the key skills necessary for personal and professional success. Each discipline is further designed around three core components to maximize learning retention (a focus on learning the critical aspects of the topic, a focus on applying those core aspects in real world case situations, and a focus on review and testing).

"The Multi-Skill Excellence program is an invaluable tool for business people looking to quickly and effectively improve their professional skills through a fast-paced highly focused skills development program", said Joe Gaskovski, President of the Gaski Group. The skills focus in this program would be suitable and valuable for: Managers and supervisors, Sales professionals, Customer service staff, Operations staff, Human resource staff, Production staff, Service and support staff, Small business owners and Entrepreneurs.
